Code: 221170/0

Slide rail 8 N 30 for precise and smooth movement of sliding doors and fixtures in industrial safety systems.

## Link to the product →

## Technical data/items supplied

- PE-UHMW, black
- Particularly wear-resistant, impactresistant and insensitive to scratches
- Weight = 0.178 kg/m
- Bar length = 2 m

## **Applications**

• Guiding sliding doors, pull-outs, fixtures

## Assembly

- Slide into profile groove
- The slide rail can be fixed on request with a threaded pin M4
- To reduce friction in moving parts, we recommend using the slide rail in short pieces with a maximum length of 100 mm
